This journey was sanctioned in G.O. dt 26/4/50. Therefore no countersignature appears to be necessary. However the bill may be countersigned by the Law Secy for the amount claimed by the Adv. Genl. It may be pointed out that the mileage claimed from Public office to Air field and again while returning journey from Air field to Public office has to be disallowed as the Air ways Coy will carry the passengers free to the Air field and back to their home.

But he may not have made use of this.
